NOW, NOW, DON'T LOOK SO GLUM! IT'S NOT ALL THAT BAD. THE LITTLE BRAT IS CERTAINLY DOING BETTER NOW THAN SHE WAS WHEN WE FIRST MET, ISN'T THAT RIGHT?

Letter from the EDITOR

Editorial commentary that's both "deer" to us and "for the birds"!

Howdy, Sonic fans!

Do you know what time it is? That's right! It's time for another "buh-WHAAAAAATT???" moment in *Sonic the Hedgehog*! Betcha didn't see it coming that the **Shamar Freedom Fighters** were actually working together with **Egg Boss Nephthys**! Their alliance is just one example of how there is more to Sonic's world than just good and evil. We'll dig deeper into the sandy complexity that is the Shamar FF and Neph at

a later date. For now, please enjoy the dashing concepts of Neph by **Ian Flynn** and **Adam Bryce Thomas** below!

BELOW: Casual PJs color study for **Cassia the Pronghorn**.

Also, how cool was **Bunnie** in "Hidden Costs" pt. 3 and how cute are **Cassia's** pajamas?! You can see the full design by **Evan Stanley** to the left!

This won't be the last you'll see of **Clove** and **Cassia**! In fact, you'll encounter more of Clove in the all-new story arc, "Eggman's Dozen" starting in *Sonic Universe* #83!

That's all for now, folks! 'Till next time, be cool, be wild and be groovy!

NEPHTHYS THE EGYPTIAN VULTURE

EGG BOSS OF MIDEAST • Ian Flynn • June 2015

- named for the Egyptian goddess who protected the dead
- rigid, serious, but can be compassionate and motherly (more "serious business" than Clove)
- conspires with local F.F. to perpetuate a stalemate to prevent damaging conflict (Eggman never loses, but never gains ground, either)
- (Sonic & Co. seen as doing more harm than good by instigating Eggman)
- lifelong friend of local F.F., chose to become Egg Boss for their plan to work

Profile view.
- golden cyborg mask
- hinge like jaw - NOT chubby cheeks!

- Mask is expressive
- How? SCIENCE!

Dear 'Sonic Grams,'

Hey! I have questions that need to be answered!

Well, blunt, no-nonsense and to the point, I see! OK letter-writer-person-- I have answers that need to be questioned! How d'ya like that?

1. What were Sonic's emotions when he faced off against Metal Sonic for the first time?

It was like a chorus of angels! They sang, they danced! They held hands, prancing upon sandy beaches in the moonlight as they happily beat each other's brains out! It was HEAVEN.

2. I'm talking to Sonic now. Sonic, what's it feel like to get roboticized?

Its like a chorus of angels! There's singing, dancing, hand-holding and prancing upon sandy beaches in the moonlight! This isn't Sonic answering, by the way, it's Eggman! Do you see what I did here?

3. What was your best win against Egghead?

All of them. His best win was all of them.

4. Will you please put this letter in? PLEASE PLEASE PLEASE PLEA— (This repeats somewhere around 20 more times and OOPS our first column is now out of room!)

PLEEEEEEEEEEEEEEEZE WITH A CHERRY CHEESECAKE ON TOP?

Talis W.
from Virginia

I'm not sure we'll have the space to print your letter, Talis! But if we do, check our letter columns to find it!

Dear 'Sonic Grams,'

I love what you're doing at Archie with my favorite blue hero!

Well, thank you, friend!

I was wondering if you guys were going to feature Sonic using his boost to go all out with his speed. It's a theory, but the Cherenkov radiation he glows when moving faster than light would be awesome if you guys explain it. I hope this goes through. I love adding to the hype of the fastest thing alive!! Keep on juicin'!

Sterling H. sent to
Sonic@ArchieComics.com

...Cherenkov? What does....? Huh? "looks it up... blank, bewildered stare"

Sonic goes vroom-vroom! Thanks for the letter, Sterling! Keep on juicin'!

Dear 'Sonic Grams,'

Hey there!

Hey, hey-hey!

I've been a super-big fan of your comics. My first comic was the "Scourge:

Lockdown" arc, and from that moment on I knew I HAD to see more!

Glad you stuck with us!

That was about 3 years ago, and I'm pretty well updated. But I have some questions I'd like to ask: 1) What comics do I need to look for if I want to see the complete Worlds Unite saga?

"Worlds Unite" encompasses these issues: Sonic Universe #76-78, Sonic Boom #8-10, Sonic the Hedgehog #273-275 and Mega Man™ #50-52 all of which are available on the new Archie app!

2) Who is Gold besides a telepathic Member of the Council?

Gold is a tenrec who fled from a catastrophe on another world...

3) Who was Silver's traitor? That's all for now guys! Thanks!

Hannah H. sent to
Sonic@ArchieComics.com

Princess Sally. 200+ years of history (and Silver jumping to conclusions) lost the details that she'd been roboticized and lost her free will! Of course, everything was later undone with the onset of the Super Genesis Wave... Hope that helped, Hannah!

And with that, we'll see y'all later!
